### Chapter Updates:

- Pam Bremseth has accepted the Membership Chair position!
- Please submit member photos and logos for the Chapter website.
- The virtual attendance survey was distributed in person and via email. The results show that there is interest, but members seem split regarding if virtual attendance should count as physical attendance. No local chapters currently use it, so it would need to be well thought-out if we were to pave the way for virtual attendance. Additionally, the need for dependably strong Wi-Fi was discussed.
- Open position: Secretary

  - We will be tabling at the "Caring for People with Memory Loss" conference held on June 2 from 8:00 – 4:30 PM at the U of M.
